## Mother's Day Offering Remembered... One Residents Perspective

"I remember when I was a little girl our Sunday school class gave a special offering for Mother's Day. As I got older I continued to give to this special offering, especially when I understood why my church gave. Our entire church, members, groups, auxiliaries, Sunday school classes - everyone gave because it was for the Homes!

We gave, and still give, because we honor our mothers and our fathers and other seniors who reside in a United Methodist Homes community. I have been giving for over 75 years and I'm still giving to support the mission and the ministry of the Homes.

Join me this Mother's Day!"
